

## COOKING UP CHANGES AT THE CAMAS MOOSE LODGE

DAWN FELDHAUS/POST-RECORD

Gordon Rodgers, co-chef of the Camas Loyal Order of the Moose Lodge 1042, prepares clam chowder, chili dogs and cheeseburgers in the new kitchen at the former Showboat Pub & Grill building. The renovations to the lodge at 389 "E" St., Washougal, also included a new ceiling, paint and restrooms. Bar Manager Sharon Hubbard said approximately 80 percent of the labor was voluntarily completed by Moose members. "We've heard nothing but positive comments from members," she said. "You can feel comfortable and welcome here." The former Moose Lodge, at 227 N.E. Lake Road, Camas, is the proposed site of the \$1.9 million Lacamas Lake Lodge and Conference Center.
